

## CAN YOU DESIGN AND CREATE YOUR OWN PAPER HELICOPTER?

### YOU WILL NEED:

- A SHEET OF PAPER
- PAPER CLIPS
- SCISSORS

1. TAKE A PIECE OF PAPER AND MAKE THREE CUTS AS SHOWN IN THE ILLUSTRATION. THEN FOLD THE PAPER IN ON ITSELF AT THE BOTTOM HALF – USE A PAPER CLIP TO KEEP THE SIDES TOGETHER.
2. FOLD THE TWO HALVES OF THE REMAINING PAPER AWAY FROM EACH OTHER, TO FORM THE HELICOPTER BLADES.
3. STAND CAREFULLY ON A CHAIR AND DROP YOUR HELICOPTER, MAKING SURE IT STAYS UPRIGHT AS YOU LET GO!
