

Castle Douglas Primary School Weekly Learning - Week Beginning 11/05/20

Please feel free to email me with any pictures of your learning or with any questions you may have at
P6CDPS@gmail.com

<p><u>Maths</u> <u>Sumdog</u> National contest - Log into Sumdog and compete against other children from across the UK.</p> <p>How it works: To take part, students simply play Sumdog's maths games. Scores are based on accuracy, and questions tailored to each student's level - so everyone has a fair chance. Each contest runs from 8am local time Friday to 8pm the following Thursday - but you can play at any time during this period. As a reward for taking part, each student who answers 100 questions will receive an item for their Sumdog House.</p>	<p><u>Maths</u> <u>Numeracy - Money</u></p> <p>Circles and Squares - click here to see how to add money values in decimal form.</p> <p>Triangles click here to see how to add different coins.</p> <p>Circles and Squares - Addition with money to 2 decimal places</p> <p>Triangles - Adding Coins</p> <p>Hexagons Group - See P1-7 Support for Learning at Home link (on website)</p>	<p><u>Maths</u> <u>Problem Solving</u></p> <p>Rigour Maths Try to solve a problem for every day of the month.</p> <p>Triangles - Click here Circles and Squares - Click here Hexagons - Click here</p> <p>Answers: Triangles Circles and Squares Hexagons</p>	<p><u>Maths</u> <u>Carol Volderman maths challenge:</u></p> <p>Join for free by clicking here</p> <p>Work your way through your topic tree by clicking here.</p> <p>If you're finding the games too easy or indeed, too hard; change your "school year" by clicking here. Select your child's settings and make the school year higher or lower.</p>

See next page for IDL activities.

<p><u>IDL</u> (Inter-Disciplinary Learning)</p> <p><u>P.E.</u></p> <p>Bingo</p> <p>Fill a line each day and shout a well-deserved, "BINGO!" when you manage to fill your card.</p> <p>Click here for your fitness Bingo card.</p>	<p><u>IDL</u></p> <p><u>Music</u></p> <p>Follow Mrs Teale's lesson from her web page.</p>	<p><u>IDL</u></p> <p><u>Outdoor Learning</u></p> <p>Humane Hunting</p> <p>Stretch out a sheet of white cloth (not fluffy or your beasties will stick to it) or paper beneath a tree branch. Beware of any thorns or prickly leaves. Give the branch a few firm shakes without damaging the tree. Anything living there will be a bit surprised when it falls onto the sheet so you may have to wait for a moment for it to start to move! Use a paintbrush or feather to gently scoop the minibeasts into a cup, mug or pot. Record what you find! Good luck and remember to release the creatures back to their home unharmed when you have finished.</p>	<p><u>IDL</u></p> <p><u>Non-Screen Activities</u></p> <p>Click here to access the list of activities. Try to complete some throughout the week.</p>
