

Ted's Diary

4/5/2020 - 7/5/2020

Don't forget to use the class email address to keep us updated about what you're getting up to!
We'd love to hear all about it!

We've been walking in the woods this week. It's been lovely in the sunshine. I tried on Miss Conacher's walking boots but they were a bit too big!

I decided to phone my good friend Paddington for a chat this week. It's lovely to hear a friend's voice and hear what they've been up to. Have you talked to any friends this week?

Miss Conacher showed me lots of your emails this week and you'd sent pictures of your paper aeroplanes. I decided to make one myself! Miss Conacher helped with the folding and then I decorated my plane. It was fun to watch it fly!

It was fun to use the Museum of Flight Tours to see inside an aeroplane. I've never been in a plane before! This plane was an American plane which used to fly the Presidents around.
