[BBC Bitesize - Acrostic Poems](#)

Watch the video on acrostic poems. Then write your own with a lockdown theme. Here is an example:

Life has changed
Once a day walks
Catching up with friends on the net
Kindness in the community
Doing work at home
Only go out for essentials
Wishing it was all over
NHS workers are our heroes

IDL - Topic

Design and create your very own model flying machine. Use materials that you already have in your home e.g. cereal boxes, yoghurt pots. Plan your design in your home learning jotter with a labelled diagram. Think about your paper aeroplane and helicopter designs. What worked well? Once built, test it out. Have you been successful?
