

Castle Douglas Primary School Weekly Learning - Week Beginning 11/05/20

Please feel free to email me with any pictures of your learning or with any questions you may have at
P6CDPS@gmail.com

<p><u>Maths</u></p> <p>themathsfactor.com</p> <p>Follow the link below to complete the times table check https://www.themathsfactor.com/times-tables-check/#/</p> <p>Can you please then set up your own Tower of Achievement so you can keep track of your maths progress. This is free to join_</p> <p>https://www.themathsfactor.com/tower-of-achievements/</p>	<p><u>Maths</u> <u>Money</u></p> <p>Keep a note of your spending as you create your first draft plan of your theme park. Add tally marks as you add to your plan and then total up your costs.</p> <p>Are you within budget? you will need to work on your Area and Map skills task alongside your budgeting task.</p> <p><u>Building a budget</u></p>	<p><u>Maths</u> <u>Measure</u></p> <p>Look at a variety of recipes for smoothies online or in recipe books. How do they measure the ingredients? Record how much of each item you will need in grams and ml for your smoothie.</p>	<p><u>Maths</u> <u>Area and Map Skills</u></p> <p>Each square on you map represents 50m. Using the map and scale as a guide plan out your theme park. This will be your first draft and will involve problem solving skills as you try to fit in all the necessary rides and amenities, use the key to help you.</p> <p><u>Theme Park: First Draft Plan</u></p> <p><u>Video on area</u> https://www.bbc.co.uk/bitesize/articles/zh9brj6</p>
---	--	--	---

<p><u>Literacy</u> <u>Oxford Reading -OWL</u></p> <p>Website: Oxford Owl My Class Login Username: P56cd Password: reading Please read the book set for your group and complete any activities at the back of the book. Sparkling jewels – Dragon Tales Emeralds – Journey to Mars Watermelons – Corn Flake coin Dream Team - Downhill racer Pineapples -A Pony for a day</p>	<p><u>Literacy</u></p> <p>This week log into Sum dog and have a go at the <u>spelling activities</u> and games.</p>	<p><u>Literacy</u> <u>Writing Ideas</u></p> <p>Write the recipe out for your smoothie and step by step instructions on how to make it. Remember to have a list of ingredients and how much of each item you will need.</p>	<p><u>Literacy</u> <u>Talking & Listening Ideas</u> <u>A Potential Name for Your Theme Park -Discussion task</u></p> <p>Your name may depend on your '<u>target market</u>' (the main people you hope will visit your theme park). Will your park just be for thrill-seeking adults? Will it be a place suitable for a family of all ages? Or are you just going to create an attraction for children?</p>

See next page for IDL activities

<p><u>IDL (Inter-Disciplinary Learning)</u></p> <p><u>Theme Parks STEM Challenge</u></p> <p>Design and Build your own Roller coaster</p> <p>Read through your engineering brief and decide on materials you would like to use. Then using the power point and design sheets create your own Roller coaster. You have <u>2weeks</u> to complete this lesson as there are several parts to the challenge.</p> <p><u>Design sheets</u></p>	<p><u>IDL Health and Wellbeing</u></p> <p><u>Smoothie Making</u></p> <p>Design and draw a healthy smoothie that will give you energy and will boost your immune system. Use the internet to research foods that boost your energy levels and try to include them in your smoothie. If you have the items available, make your smoothie with your family. Can they give you some feedback on how it tasted?</p>	<p><u>IDL</u></p> <p><u>Stem Challenge week one reflection</u></p> <p>Do you have themed areas in your park?</p> <p>How much have you spent on build costs?</p> <p>Where have you placed the toilet and first aid blocks? Eating establishments? Benches? Why?</p>	<p><u>IDL P.E</u></p> <p>This week try to complete Joe Wicks workout every morning at 9am on YouTube or create your own 30-minute daily workout.</p>
