

Dear Parent/ Carer,

We hope you are all keeping well. Here is this weeks grid. We hope you will feel free to pick and choose the activities you would like to do. Please let us know how you are all getting on. It is so nice to see your photos and clips. If there are any issues please get in touch. We hope you all have a good time trying some of the activities.

From Miss Newall and Mrs Graham

### Castle Douglas Primary - Home Learning - Primary 2. Week 6

Please complete Spelling Week 24 Homework and sound booklet.

Write each of your words replacing the vowels with a line. When you have done that go back and see if you can fill in all the vowels.

Have another look at the Lighthouse Keepers Lunch.

<https://www.youtube.com/watch?v=46wCRq50Wwg>

I would like you to write a short book review about it. Please say what characters were in it and where it was set. Try to say if you liked or did not like it

and explain why.

Draw a strange sea creature. It could have octopus tentacles, a shell head or even a starfish tummy. Make it as interesting and funny as you can. Remember to give your creature a name.

Choose your favourite sea creature and make a fact card about it. Ask a family member to help you to find out two things about it and write them down. Illustrate your facts with lots of pictures.

Can you build a nest a seagull could live in using things you would find around your house?

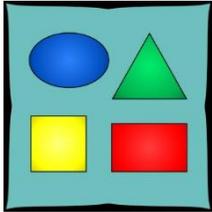

Please keep revising all the key words we have been learning.

Remember there are lots of books to read online [Oxford Owl](#). Keep reading!

Remember last term we were doing acts of kindness for each other and it made us feel good about ourselves. Perhaps you could try to see if you could do any acts of kindness at home. Let me know what you did and how it made you feel.

Draw an underwater scene using only circles, squares, rectangles and triangles.

Use Topmarks to find out about addition. Try all three levels. Use the number line to help you,  
<https://www.topmarks.co.uk/addition/robot-addition>

Red Group - add to 20

Blue Green and Yellow- add up to 15

Purple - add up to 10

We are also going to practise our numbers to 100 using this game. Try the find a number up to 100.

<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

Use your blank game board to try to invent a game of your own using sea creatures. Try to play the game with a family member.

Ask an adult to help you time one minute.

1. Count how many words you can read in a book in one minute. 2.Count how many words you can write in one minute.

Which task did you do best in?

Log in to Education city on this page.

The log ins are in your pack.

Click on the links below.

Red - [Rock Add Roll](#)

Green and Blue -

[Reel numbers](#)

Yellow and Purple -

[Flower fun](#)

Please try the activity or the activity sheet if you want to.

Remember to go to P1-7 Music Home Learning(Mrs Teale) where there are some fun music activities to try.
