

22 May

Consolidation Week

<p><u>Story Time</u> Oliver Jeffers has recorded lots more stories for us to enjoy!</p> <p>Click here to choose what story you'd like to read.</p>	<p><u>Independent Writing</u> Pick your favourite story from the last 4 weeks and write about your favourite part. Below are links to the stories we've enjoyed. How to Catch a Star Lost and Found The Way Back Home Up and Down</p>	<p><u>Artwork</u> Design a new front cover for your favourite Oliver Jeffers story. Think about the characters and what happens in the story when creating your design! Send us pictures of your new covers!</p>	<p><u>Literacy Boardgame</u> Use your blank boardgame to practise either your sounds, reading keywords or tricky words. Add them into your boardgame and play!</p>	<p><u>Tricky Words</u> This week's tricky words are 'they' and 'them'. Please ask an adult to write them on your word wall and then practise reading, writing and using them in conversation.</p>
<p><u>Drawing Skills</u> Watch Draw with Rob, an author and illustrator, as he draws another Penguin Character from his book. Can you follow along, step by step, to create your own kite-flying penguin?</p>	<p><u>Technology</u> Make your own kite, just like the penguin in the drawing activity! Use whatever you can find in your home - be creative! This website has lots of different suggestions for how to make your kite.</p>	<p><u>Science</u> Why does a kite fly? Watch this video to find out what makes a kite stay up in the air. This should help you when you design your own kite!</p>	<p><u>Numeracy</u> Watch this video to see Ten Town Number 17! Try playing the grid game with the blank grid (back on the website page). In the episode Sir Seven plays 'Hide the Object' - hide some objects around your house and describe them as you find them using words like above, below, behind, in front</p>	<p><u>Directions</u> In this week's Ten Town episode Sir Seven needs help using directions to find his way. Try out the BeeBot App! This free app will help you to learn more about directions.</p>

			of etc.	
<u>ICT - Education City</u> Use your Education City login to access the games we have set in your homework tab. There are 3 literacy tasks and 3 numeracy tasks to enjoy.	<u>Maths - Money</u> Try the Fast Finger Coin Game. Listen to the question and point to the corect coin as quickly as you can. Try timing yourself to see how fast you are! Links back on Website Page!	<u>Music</u> Mrs Teale is updating her page every week with different music activities to enjoy. Check here for this week's activities.	<u>Reading</u> Last week we sent an email with suggested eBooks you can access on the Oxford Owl website . Pick a book to read from the list and enjoy! Perhaps practise your keywords on the boardgame afterwards.	<u>Cooking Skills</u> Get yourself into the kitchen and make something tasty! This blog has lots of child-friendly, easy recipes for you to try. Send us pictures of whatever you make!
A note for parents: Keep us updated with how you are getting on by using the email address! p1acdps@gmail.com
