## Literacy

### Literacy- Creative Writing -Stone Snake

You may have seen on Social Media that a 'Stone Snake' is being created on Jenny's Loaning.

Imagine there was a real snake, the length of Jenny's Loaning, slithering around Castle Douglas. What would happen? How would people react? Where did it come from?

Write a creative story. Be as imaginative as you like!

Remember:

- A title
- Paragraphs (beginning, middle, end)
- Include a vivid description of the snake
- Varied opening phrases

Extra Challenge?

- Include alliteration
- Correctly punctuated direct speech.

Why not paint a stone and add it to the snake? This is one of this week's IDL activities.

- If you are someone who uses Reading Wise in class and can access this online then please have a go. Suggestion is that you access it for 15minutes every day. 😊
- Accelerated Reader runs **between 9am and 3pm** to take tests so please keep reading and taking tests where possible.
