

Castle Douglas Primary - Home Learning - Primary 2. Week 9

Dear Parent/ Carer

We hope you are all fine and keeping busy. Here is this week's grid. We hope you enjoy trying out some of the task related to sports. Please do not feel you have to try all the activities. They are ideas and suggestions so please do not worry if you haven't completed them all. Please choose the ones you feel you would like to do. You have been sending in some super photos and it has been lovely to see what you have been doing.

Please keep in touch.

I am planning to hold a Teams meet on Wednesday 3rd June at 10am. It would be great if you can join me and have a chat with your class friends.

Miss McCall has kindly let us use her video explaining how to get onto teams please see the attached letter for the links.

BBC Bitesize French Numbers - <https://www.bbc.co.uk/bitesize/topics/zpy8q6f/resources/1>

<p>Please complete Spelling Week 28 Homework and Sound booklet. Try the game I have set for you on Education City. Keep practising your reading by reading some books using Oxford Owl. Please keep revising all the key words we have been learning.</p>	<p>Remember to go to P1-7 Music Home Learning(Mrs Teale) where there are some fun music activities to try. Keep trying to be kind to each other and try another couple of acts of kindness from the grid. Let me know which activity you enjoy doing best.</p> 	<p><u>Sports Grid</u></p> <p>I have attached the sports grid for this week. There are demos to watch before you try the activity. I hope you have lots of fun trying out some of the activities. Let us know how you get on.</p> 	<p>Story Writing</p> <p>Use your jotter to please write a story about what activities you have tried for sports week. Write about what you did, if you liked or didn't like that activity and what was your favourite activity. Draw a picture of yourself doing your favourite activity.</p>	<p>Design a medal for Sports Day.</p> <p>You could use a circle of card/paper and perhaps decorate it with dried pasta or pieces of cereal. Try to think about what you could use.</p> 
---	--	--	--	---

Lie on your back with your eyes closed for one minute. Listen very carefully. What can you hear? Write down all the things you heard in a list.

Maths

I will set further maths work on Education City for everyone. Please try some of the games, activities and worksheets.

Maths

This week we are going to look at counting money using the topmarks games. Click on counting and try games 1p-10p and 11p-20p. <https://www.topmarks.co.uk/money/coins-game>

French

Revise counting to ten by watching BBC Bitesize. Practice your numbers forwards and backwards. What are you best at? Please see link above.

At the start of last term we were looking at the alphabet. We are now going to revise the order of the letters and try to put words into alphabetical order. Please try this game to help you.

CLICK ON EACH ACTIVITY TO WATCH A DEMONSTRATION VIDEO

<p><u>EGG AND SPOON RACE</u></p> <p>Balance an egg or a similarly shaped item on a spoon and race with it to the finish line.</p>	<p><u>HURDLES</u></p> <p>Set up a line of objects that you can safely jump over. Run and jump over them at speed.</p>	<p><u>TARGET THROW</u></p> <p>Stand behind the starting line and throw the ball to the target. You can use any objects and increase the distance.</p>	<p><u>KEEPLY UPPY CHALLENGE</u></p> <p>How many keepy ups can you do with a ball? Record your score and then try to beat it.</p>
<p><u>STANDING LONG JUMP</u></p> <p>Place both feet on the starting line and leap forwards. Ask an adult to record where you land. Try and beat your distance.</p>	<p><u>OBSTACLE COURSE</u></p> <p>Create an obstacle course to navigate around. Can you include running, climbing, jumping or crawling?</p>	<p><u>SHUTTLE RUN</u></p> <p>Test your acceleration by running as quickly as you can. Run to the first marker, touch the ground and run back to the start line.</p>	<p><u>WELLY THROW</u></p> <p>See how far you can throw a welly boot. Measure the distance using your feet.</p>
<p><u>SPEED BOUNCE</u></p> <p>Test your speed, rhythm and coordination. Do a two footed jump from side to side. Both feet must touch the same side each time to complete the bounce.</p>	<p><u>THREE-LEGGED RACE</u></p> <p>Connect your left leg to the right leg of another runner. Work as a team to reach the finish line.</p>	<p><u>HULA HOOP RACE</u></p> <p>Step through the hula hoop one foot at a time, rotating the hoop back over your head.</p>	<p><u>FAMILY RACE</u></p> <p>Run round a circuit taking one extra family member with you each time.</p>

Everyone in your family is welcome to take part. You can work as a team or compete against each other. There are 12 activities to try but you don't have to do them all. We encourage you to wear your house colours when taking part. Good luck and have fun. Remember to share any action shots with your class teacher.

How much money is in my jar?

Show Me the Money!

Can you find different ways to make the same amount as the money in the purse?
