This week has been school Sports Week! I've enjoyed going out for walks with Miss Conacher and I've been joining in with Joe Wicks in the mornings again. It's so good to keep moving!

I really liked trying out Purple Mash this week. Miss Conacher let me design a car just like you! I liked labelling the parts and making the car look colourful. I got to see the different designs you all made too and they look great!

Miss Conacher and I spent some time outside and looked for different colours of cars. We printed the survey sheet and filled it in. Red was the most popular colour I saw.
