

CASTLE DOUGLAS PRIMARY SCHOOL TRANSITION GRIDS - WEEK 11 AND 12 **DATE: June 15-20 / 22-26**

PLEASE READ

Welcome to a new week! The next two weeks are transition weeks – which means, for this week's learning grid, please access your child's new class grid on the [transition website](#). We hope you enjoy the next two weeks getting to know your new teacher. As always, if you need to contact either Miss Conacher or Mrs Baird, we are still available via our email addresses!

The new class grid is the priority for the next two weeks, and will be scaled down from the usual amount of tasks as we head towards the end of the school year. However, if you should wish to continue with any of the resources below, these will still be available to you (although perhaps not with “assigned” tasks). There is no expectation for these to be accessed – they are optional only.

Purple Mash Explore Purple Mash and have a go at the different games and resources. No assigned task this week.	Number Watch this video to finish the Ten Town journey! Now that we've finished numbers to 20, keep practising counting up and back.	Education City Use your Education City login to access different activities. No new assigned tasks this week.	Oxford Owl Use the Oxford Owl website to pick a book to read from your list and enjoy!
A note for parents: if you have yet to record and send a clip of your child for the P1 Celebration Video, please feel free to send it this week as we are beginning to put it all together!			
You can still contact us with any questions using our normal email addresses: p1acdps@gmail.com / p1bcdps@gmail.com .
