

Castle Douglas Primary School - Primary 7 Online Learning - Week Beginning 15/06/2020

Please feel free to email me with any pictures of your learning or with any questions you may have at primary7cdps@gmail.com. I will update our class Twitter feed regularly with ideas for home learning activities (@p7andmrwhan) and tweet me some pictures of you working on this week's challenges!

This week's grid is a little different as we move towards to end of term. Please continue to engage with Transition activities on Teams. Remember that next week is your 'Virtual Induction' to CDHS. Below are a list of jobs for you to complete this week which will form part of our leavers' celebration videos at the end of term.

1. **Hanging in your Hoodies** - Email a picture or two of you 'hanging in your hoodie' reading, watching TV, going for a walk etc. We can add these to the video of pictures that we took last week.
2. **Reflection** - Normally at this time of year we reflect on your time at CDPS. We started this last week. Have a think about your favourite memories, favourite trip, funniest story, best lesson etc. Present your reflections in any way you wish - a poster, leaflet, PowerPoint, Video etc. If you have pictures, include them!
3. **My World of Work** - Please keep updating this. There has been some great entries so far. I'm keeping an eye on it! 😊

4. **Iconic Paintings task (continued)** - See details below.

5. **CDHS Transition** - Please continue to chat on the CDHS Teams page and complete the activities set. Mrs Cook has asked that you do not complete the tasks for the induction days. These tasks should be completed during the induction days later in the term.
