

Hello Primary 3's,

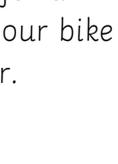

My name is Miss Sarahs and I am going to be your Primary 4 teacher. I am excited to meet you and I can't wait to have lots of fun when we are back at school. Even though we are apart, we can still get to know each other.

Take me with you on your adventures and be sure to share our time together. Take photos of us doing some activities. You can use the ideas on the right or come up with your own. You could write a little bit about what we have been doing in your jotter.

Please take good care of me. I don't want to get lost or be chewed up by a pet! Remember to keep me in a safe spot when I need a rest. I am looking forward to learning more about you.

From,  
Miss Sarahs

# FLAT TEACHER adventures

Hello, new Primary 4's, how do you do?  
It's your teacher, Miss Sarahs, with some news for you.  
I don't remember just quite how it happened,  
But when I woke up today, I saw I was flattened!

I can't meet you in person as we are apart,  
But today I thought of something real smart.  
I hopped into this page and went for a ride,  
Sending myself to you so I could be by your side!

Now that I'm here, there's so much to see,  
So, come along and explore with me!  
Show me your family, your room and your toys,  
Or even a pet, let's have fun and make noise.

As we explore, ask your family real nice,  
With a "please" and a "thank you" for some extra spice,  
To take pictures of us with the things we will find  
And share with your new teacher - I hope they won't mind!
