This week's Grid is looking a little different as we move into the last few weeks of term - there is a section for P7 and for P6 this week.

PRIMARY 7

Please continue to engage with Transition activities on your S1 Teams. Remember that you now have a 'Virtual Induction' to CDHS. **The induction days are Wednesday 24th - Friday 26th June.** During these three days, p7 pupils should follow the timetable that will be posted on teams and pupils should complete the activities that will be provided by staff.

Below you will find a list of jobs for you to complete this week which will form part of our leavers' celebration videos at the end of term.

1. **Hanging in your Hoodies** - Email a picture or two of you 'hanging in your hoodie' reading, watching TV, going for a walk etc. We can add these to the video of pictures that we took last week.
2. **Reflection** - Normally at this time of year we reflect on your time at CDPS. We started this last week. Have a think about your favourite memories, favourite trip, funniest story, best lesson etc. Present your reflections in any way you wish - a poster, leaflet, PowerPoint, Video etc. If you have pictures, include them!
3. **My World of Work** - Please keep updating this. There have been some great entries so far. I'm keeping an eye on it! 😊
4. **CDHS Transition** - Please continue to chat on the CDHS Teams page and complete the activities set. Mrs Cook has asked that you do not complete some of the tasks until the induction days. If feel worried or have any questions about Transition, please e-mail myself or Mrs Cook at the High School gw07cookalison@glow.sch.uk.

Teams Meets - Tuesday/Wednesday/Thursday this week all at 2pm. If anyone would like to make a quiz for their group please email me. Please feel free to type a message on Teams at any point if you need any help. 😊
P6 you will have Teams meetings with your new teachers this week.

PRIMARY 6

Over the next two weeks you will have new activities set by your new class teacher either Mrs Milligan or Mr Whan. If you click on the link on the P6/7 Home Learning page, it will take you to the Transition website to see the learning activities created by your new teacher. Click on your new class P7a or P7b once you get onto the website, the links are also included below. Please try and continue with the Maths activities on the P6/7 Grid and any IDL task/ Mini Topic/Music that you would like to do.

Over the next two weeks you will have Teams meetings with your new class teacher, but feel free to join the P6/7 chat too. The Link to your new class Grid is as follows
