

Ted's Diary

Don't forget to use the class email address to keep us updated about what you're getting up to!
We'd love to hear all about it!
p1acdps@gmail.com

We had some visitors in our garden at the weekend - a swarm of bees! They decided to land in a bush in front of our house! It was very interesting to watch from a safe distance. A beekeeper collected them and took them to a new home.

I've been helping to set the table at dinner time!

The boys and girls coming to Primary 1 after the summer have been sending pictures and videos to Miss Conacher. It's been lovely to meet them all!

We were back to baking this week and decided to make some brownies! They were so yummy. We ate them with ice cream!
