

Castle Douglas Primary School - Primary 7 Online Learning - Week Beginning 22/06/2020

Please feel free to email me with any pictures of your learning or with any questions you may have at primary7cdps@gmail.com. I will update our class Twitter feed regularly with ideas for home learning activities (@p7andmrwhan) and tweet me some pictures of you working on this week's challenges!

I can't believe that we're at this point in the term already. Next week, is your last week at Primary School! I have listed a few things below.

1. **CDHS Transition** - Remember that this week is the virtual transition (Wednesday - Friday) for CDHS. The High School will set learning tasks on these days. Have fun engaging with the tasks they set and make the most of the opportunity. I've told them how wonderful you are - now it's your chance to show them!
2. **Team Meets** - Monday and Tuesday at 2pm. Join whatever one is best for you. 😊
3. **Returns** - If you still have books/resources to return please drop these in to the school office this week.

**I have set a few tasks below for Monday and Tuesday. Email me with your riddle answers.
Be good and take care, P7!**

Maths - Riddle

1 rabbit saw 9 elephants while going to the river. Every elephant saw 3 monkeys going to the river. Each monkey had 1 tortoise on each hand.

How many animals were going to the river?
