

**Castle Douglas Primary - Home Learning - Primary 2. Week 13**

Dear Parent/ Carer

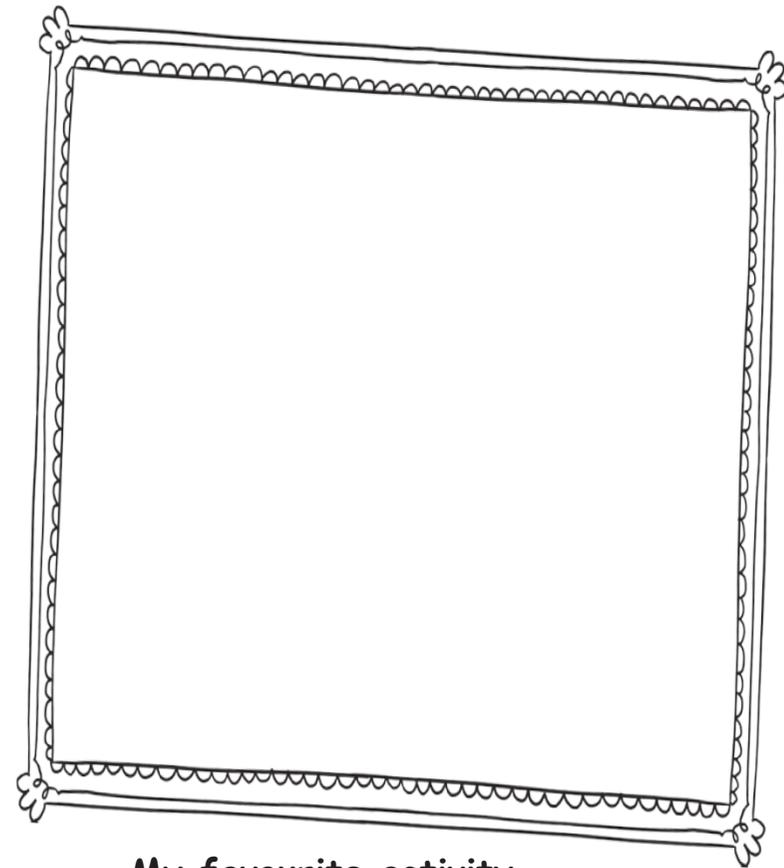

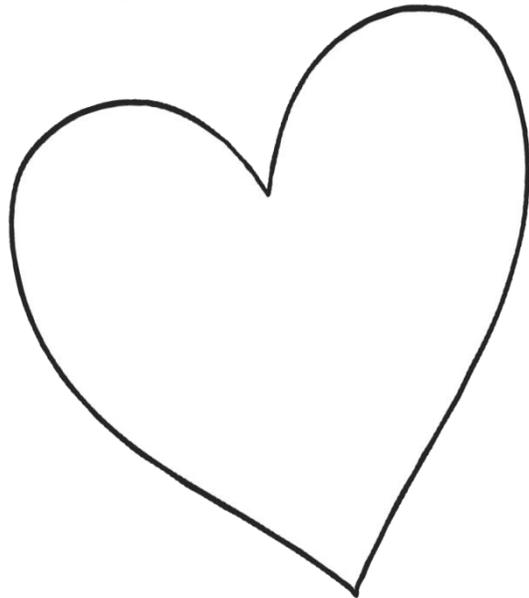

We hope you are all fine and enjoyed meeting your new teachers for next year. Here is our last grid for this year. We hope you enjoy trying out some of these end of year activities. Please do not feel you have to try all the tasks. They are ideas and suggestions so please do not worry if you haven't completed them all. Please choose the ones you feel you would like to do. You have been sending in some super photos and it has been lovely to see what you have been doing. Please keep in touch by sending your photos to [p2cdps@gmail.com](mailto:p2cdps@gmail.com)

 <p>As we are nearly at the end of P2 I was wondering what you liked doing best. Please could you think about this and try to complete the sheet below.</p> <p>Choose your favourite story book and have a look at it. Imagine you are an illustrator and design a new cover for your book. Remember to include the title and author.</p>	<p>As you are now getting ready to become P3 next year I would like you to write a letter to the new P2 class telling them all about some of the things we have learned this year. You could perhaps mention the topics, maths, PE, the nature garden or anything else we have looked at.</p> 	<p><b>The Blether Station</b> Please could you have a chat with a family member?</p> <ol style="list-style-type: none"> <li>1. What made me most proud this year?</li> <li>2. The most important thing I learned this year is...</li> <li>3. My favourite thing from this year is ...</li> <li>4. A memory I am keeping from this year is ...</li> <li>5. What do I want to be when I leave school?</li> <li>6. How have I changed this year?</li> </ol>	<p>We have all worked really hard this year. Well done everyone. Can you think of anyone you know who deserves a certificate for working hard too. It could be a family member, your hero or a friend. You can use the certificate below or make your own for them.</p> 
<p>There is still work on Education City to try. There are games to do or worksheets to complete if you would like to do them. Try the Maths Bingo game below using addition and subtraction. <a href="https://toytheater.com/bingo/">https://toytheater.com/bingo/</a> Try further Maths activities or revise your favourite ones using Topmarks. <a href="https://www.topmarks.co.uk/">https://www.topmarks.co.uk/</a></p>	<p>How many words can you make from <b>Summer Holidays</b>? Eg mud Make a list in your jotter.</p> 	<p><b>Art</b> This week I would like you to try to make a picture of a beach scene. It could be people on the beach, a mermaid or a yacht. Instead of colouring it in I would like you to decorate it by drawing different coloured circles which you can colour in if you want to.</p>	<p><b>Ice Cream</b> What are your four favourite flavours of ice cream? Try to see how many different flavoured cones you can make in your jotter.</p>
