

Goodbye P4/5

P4/5 What a year it has been! One we will never forget! I am so proud of all that you have achieved and how you have coped during this very different way to school life. I've included some fun final week activities that I thought you may like doing. I hope you all have a fantastic summer and wish you all the best in your new classes next year. Mrs Findlay 😊

My Lockdown Experience

It can often be good to look back on what you have done and how you have been feeling during certain times. Use this [template](#) or create your own to note down your feelings and experiences during our time spent in lockdown. Did the way you feel change as time went on? Did you do any fun things with your family that you may not have normally done? This will be a nice thing to keep and look back on in years to come.

P4/5 Memories

Email me three words that make you think of P4/5. I am going to create a poster with your memories and email them out for you to print out and keep if you wish. Examples could be friends, fun, learning, times tables or smoothies 😊.

Wild Art

The RSPB are running a competition to create a piece of art inspired by nature. There are two categories to choose from this year - Real Life and Go Wild. More information on what you need to do to enter can be found [here](#). Don't forget to email a picture to me too and I'll add it to our Twitter page.

Galloway Mountain Rescue - Design a Card

The Galloway Mountain Rescue team would like children living in the Galloway area to **design thank you cards with a mountain rescue theme**. You can find more information about what they do [here](#). The team has their own badge which you can see below. This design should be included somewhere on your card design. You can either draw it yourself or leave a circle sized space for the badge to be added in at a later stage. Size and orientation of the design is up to you. There will be prizes for the designs chosen.

Photos or scans of designs can be emailed to cdpslearning@gmail.com by 3rd July.
