

Castle Douglas Primary School - Primary 7 Online Learning - Week Beginning 28/06/2020

Here we are! The last week of term and your last week of Primary school. I know that this wasn't quite how any of us had hoped that the year would end but I hope that you will still enjoy some of the celebration. I want to say a huge well done and thank you. Since August you have kept me entertained and have worked hard to achieve success. Your efforts with home learning during lockdown have really impressed me and I think we have all realised, myself included, just how much we enjoy being together in school. Enjoy your last week of P7 and I'll see you on Thursday! You're all awesome! 😊

Congratulations to Rosie and Lewis who will be Douglas Lad and Lass this year.

This week's activities are minimal but there are a few things that I would like you to do/look out for during the week.

1. **Videos** - At 12 o'clock Monday-Thursday I will post a video link. Everyday I will 'release' a different video that will hopefully bring back lots of fond memories of your time at Primary School. There are also a few familiar faces who have recorded some messages to wish you all well.
2. **Tie/Resource Pick up** - This will happen on Thursday (the last day of term). I have allocated you all a time slot. This has been emailed to parents and I have posted it on Teams. I'm looking forward to seeing you all and saying cheerio! 😊
3. **Whole Class Team Meet** - On **Tuesday at 2pm** I would like to have a Team Meet with everyone. I'll prepare some form of game. Everyone will need to mute their microphone so it's orderly! 😊

4. **Email** - Email me and let me know how got you on with your 'Virtual Induction'. I'm interested to hear what you learned about and what you're looking forward to. If you have worries/concerns that you would like to ask questions about then now is the time to do so.
