[A note from Mr Tyson and the Galloway Mountain Rescue Team](#)

The Team would like to print a selection of thank you cards and is wondering if children in the Galloway area would like to design the covers, with a mountain rescue theme.

The Team does have a badge which can be included on the card - this can be drawn, or a circle placed on design which can then be filled with electronic badge at a later stage.

There will be a £10 book token or similar for every design chosen.

If you are interested, you can e-mail a photo or scan of your design to the e-mail address below. Any questions please get in touch.

Photos or scans of designs can be emailed to cdpslearning@gmail.com by 3rd July.
