

## Action and Sound Game

Can you complete the action and identify the sound?

1. Look at the action card and complete the action.
2. Are you correct? Move to the next slide for the answer.
3. Try to write the letter at home - with playdough, in a salt tray, on spare paper - whatever you can find! Make sure to start the letter at the correct point.

You can come back and use this resource as many times as you like.
