

## Castle Douglas Primary School - Primary 7b Online Learning - Week Beginning 11/01/2021

Please email with any pictures of your learning or with any questions you may have. We will update our class Twitter feed regularly (@p7andmrwhan) so feel free to tweet with some pictures of you working on this week's challenges!

**Mr Whan's Email** - p7bcdps@gmail.com

**Mrs McCulloch's Email** - mrsMcCullochcdps@gmail.com (Thursday and Friday)

### Microsoft Teams

If you still need help accessing Microsoft Teams please have a look at the instruction sheet/video below. Get in touch with Mr Whan if you still require assistance. Please post questions on Teams at any point.

### Instructions

- Miss McCall has made an easy to follow instructional video of how to access Teams [here](#).
- There is a PDF version of the instructions [here](#).

### Team Meets

We will have 'Team Meets' (video calls) this week for everyone to have a chat and catch up at the following times. Bring a pen and paper - we will have a quiz! A link that says 'Join Call' will appear on our Teams page at the following times. There will be an option to enable/disable your camera and microphone.

- Monday at 2pm with Mr Whan.
- Thursday at 2pm with Mrs McCulloch

## Maths and Numeracy

If you are unsure of your maths group please email Mr Whan. 😊

### Maths - Sumdog

I have set everyone a challenge on Sumdog. Please work through your challenges. If you're having log in troubles, please email or post on Teams and we will reset you.

### Maths Calendars -

#### Complete every day.

Rectangles/Circles/Squares

[Click here.](#)

Triangles

[Click here.](#)

### Maths - Multiplication Pairs

Make a matching game with flash cards.

Write out 20 multiplication sums on individual pieces of paper/card and the answers on another 20.

Sit all the cards face down, mix the questions and answers up and play a matching, memory game!

**Circles/Squares** focus on the 7, 8 and 9 times tables.

**Rectangles** - focus on 3 and 4 times tables.

### Maths-Countdown

Target Number is: **615**

**100, 75, 5, 7, 6, 8**

Email or tweet me your solutions if you can!

### Maths - Mrs McCulloch's

#### Task

For this task you need to get the gloves on and have a root around the garden!

Use sticks and twigs to recreate 2 and 3 dimensional shapes.

Follow the instructions on the link. Can you create a range of shapes?

Remember to take 'snaps' of your work.

[Click here.](#)

## Literacy

If you are unsure of your reading/spelling group, please email Mr Whan. 😊

<p><b><u>Literacy - Spelling</u></b> I'll upload your spelling words for the week to practise at home.</p> <p><b><u>Spelling Training</u></b> is a good place to practise.</p> <p>Maybe someone could test you after you've practised them for a few days?</p> <p>You can also play some of our usual Active Spelling games with people at home. You will either have the laminated menu at home or it's available in the files section on teams.</p> <p><b><u>Spelling words are listed on the last page of this document.</u></b></p>	<p><b><u>Literacy - Comprehension</u></b> Log in to Accelerated Reader and do 2 or 3 of the short non-fiction fact file cards. Accelerated Reader will only work at home if you follow the school's individual link <b><u>here</u></b>.</p> <p>If you use Reading Wise, log in and complete some of the Roal Dahl comprehension activities.</p>	<p><b><u>Literacy - Reading</u></b> I have signed us up for Oxford Owl - an online reading scheme. <b><u>Use this link to access the webpage.</u></b> And look for the 'My Class Login' section.</p> <p><b><u>Our class login</u></b> <b>Username: primary7whan</b> <b>Password: cdps</b></p> <p>When you go on - click on 'Oxford Owl e-Book Library' and then search for the book that your group has been asked to read. Some may have Accelerated Reader tests also. Please be reading other things if you can too! 😊</p> <p><b>Diamond/Sapphire</b> - Stories of Sherlock Holmes <b>Ruby</b> - Waiting for Goldie <b>Copper</b> - Cornflake Colin</p>	<p><b><u>Literacy - Mrs McCulloch's Writing Task</u></b></p> <p>1) Have a think about someone you want to send a letter to. It may be someone that you are missing, or someone you want to reach out to.</p> <p>2) Get creative, write a letter or even a poem. You could include positive news, talk about a film you have watched, book you have enjoyed or a nice walk you have been on.</p> <p>3) Pop it in an envelope, stick on a stamp and post! Remember to take a photo of your work, email, or Tweet to the class page!</p>
---	---	--	---

1. If you are someone who uses Reading Wise in class and can access this online then please have a go. Suggestion is that you access it for 15minutes every day. 😊
2. Accelerated Reader runs **between** 9am and 3pm to take tests so please keep reading and taking tests where possible. Make sure you follow the school's link to Accelerated reader - **here**.

## Across the Curriculum

<p><b><u>IDL - Scottish Poetry</u></b> We are going to learn some Scottish Poetry! Each week we will learn more of our Poem. Please send recordings or videos of you reciting your poem! It would be great to hear you.</p> <p><b>Sapphire and Diamond Reading Groups</b> <a href="#">Address to a Haggis</a> <a href="#">Address to a Haggis Translation</a> Have a look on YouTube - People recite this at a Burns' Supper before they eat the haggis!</p> <p><b>Copper and Ruby Reading Groups</b> <a href="#">Up In The Morning Early</a> Have a look on YouTube to listen to others reciting the poem!</p>	<p><b><u>IDL - Scotland KWL Grid</u></b> Our new class topic is 'Scotland'. Fill in the <a href="#">KWL grid</a> to show your prior knowledge of the topic and let us know what you already know about Scotland (history, traditions, politics, landscape etc) and then tell us what would like to learn over the next few weeks.</p> <p><b>If you cannot print this off, make your own KWL grid.</b> <b>K</b>- What you already know <b>W</b> - What you would like to learn <b>L</b>- What you have learned (this will be completed at the end).</p>	<p><b><u>IDL - Music</u></b> <a href="#">Follow this link to find Mrs Teale's Home Learning activities.</a></p>	<p><b><u>IDL - Mrs McCulloch's Science Task</u></b></p> <p><b>Brilliant Bodies</b> Have a think about our body systems and what we learnt last term. We all know that P7b are the kings and queens of trivia. So, this task is royalty. I would like you to create a trivia quiz recapping on your knowledge of body systems. Include questions like - How many bones are in our body? How many litres of blood do you have in your body? How many times does your heartbeat in a day? You can either create a Microsoft Teams multiple choice quiz, a Power Point or write cards. There are some you can download some from the link below. Then test your families! Let us know how it goes. Also, email your quizzes over, to test myself and Mr Whan's knowledge.</p>
