These were "triggers", "body sensations", "emotion words" and "behaviours".</p> <p>Could you make a comic strip to show these? For example, your character might get knocked over during a game of tig (trigger), hurt their knee and start crying (body sensations), feel upset and angry (emotion words), take a walk with their friend until they feel better and finally talk to the person who hurt them to see if it was just an accident (behaviour).</p> <p>Click here for some blank comic book templates or draw your own.</p> <p>For more information on Emotion Works see the "Emotion Works" tab on the school website or click here.</p>	<p><u>IDL</u></p> <p><u>Health and Wellbeing</u> P.E.</p> <p>Complete PE with Joe Wicks each morning.
