

## Australian School

Primary 6a at Castle Douglas have a link with this school in Australia.

### Frances Primary School

They write letters to each other regularly and have been telling each other about their favourite games. P6a asked if some of the other classes would like to write to them too sharing their favourite games.

So, this week I would like you to draw your favourite game and write instructions for it. If you want to share them with P6a and the school in Australia you can send them to me on the class email and I will forward them on.
