

Castle Douglas Primary - Home Learning - Primary 2. Week 3

We hope you are all fine and keeping safe. Here is the grid for this week. We hope you enjoy trying out some of these activities. Please do not feel you have to try all the tasks. They are ideas and suggestions so please do not worry if you haven't completed them all. Please choose the ones you feel you would like to do. Please keep in touch and email me to say hello or to share your learning with me at p2cdps@gmail.com if you can.

Spelling	Reading	Handwriting	Story Writing	Health and Well Being
<p>Please use the Education City Website to look at our spelling sounds this week and try the activities and worksheets that match with your sounds.</p> <p>Use the spelling sheet for this week from last week's grid to look at your new words.</p> <p>To practice your spelling words try to write them in fancy letters to make your work look really interesting.</p> 	<p>Please use the Oxford Owl Website to carry on looking at reading books. I will set books for each group to have a look at.</p> <p>Please choose 5 Key Words this week and try really hard to learn them.</p> <p>I have set comprehension work on Education City for everyone to try.</p> 	<p>Please continue to practice your handwriting using the sheet. Remember to start on the dot and follow the arrow so you are going in the right direction.</p> <p>Music</p> <p>Go to P1-7 Music Home Learning Mrs Teale on the web page</p> <p>Name</p> <p>Please try to practise writing your first name and your surname. Remember to use capital letters at the start of each name. How many times can you write it in one minute?</p>	<p>This week we are going to write a story My Favourite Animal. Please see the sheet My Favourite Animal to help you.</p> <p>The Alphabet</p> <p>Last week we were finding items that began with the letters of the alphabet. This week we are going to match lower and upper case letters. Please see if you can match the letters correctly using the sheet. Practise saying the sounds and the names of the letters aloud as you match them together.</p> <p>Daily Mile Bingo</p> <p>Keep trying your Daily Mile Bingo this week.</p>	<p>Look at the Bucket of Kindness Grid that we made from suggestions. Can you try any of these activities to fill your bucket with kindness? Try to remember all the kind things you do to help at home. Perhaps you could think of a way you could fill something such as a tub or a small box. Try to think of something you could add into the grid.</p> <p>Art</p> <p>I would like you to try to make a picture of anything you want using only dots or coloured in circles. Try to make it bright and colourful.</p> 

Maths Activities

Roll a dice. What number do you add on to make ten? Write the sums...how many can you find?

Count forwards within the range 1-100 stopping and starting at different numbers

Count backwards within the range 1-100 stopping and starting at different numbers

Try to do a dot-to dot puzzle. Remember to draw the lines from the dots and not the numbers. I have put one below the grid for you to try.

Play a Board Game/ Dice Game such as snakes and ladders with your family. Throw the dice. Try and work out what square you will land on. Have fun

Maths

This week we are going to look at counting money using the Topmarks games. Just click on the link below. On the coins game click on sorting and sort one coin and two coins. After you have tried these activities perhaps you could click on ordering coins and try the ordering coins 1p to 20p.

Try the money worksheets I have put under the Home Learning Grid too.

Maths

I have put further activities and worksheets on Education City for everyone to try.

Maps

Last week you made a map to help someone find a lost toy. This week I would like you to pretend to be a bird and look down on a room in your house. I would like you to draw a map/picture of everything in your room. You are now going to try to become a computer and write out a set of instructions for someone to follow using the language forwards, backwards, left and right. Can you help someone walk across the room without bumping into anything following your instructions?

Health and Well Being

Please chat about this with a member of your family. Last week we looked at the emotion happy. This week we are going to explore what makes us feel **excited**. What happened to make you feel this way How did it make you feel inside? What does it feel like? How did you show the way you were feeling to everyone else? Is it ok to behave like this? What could you do to make you feel calmer? Please draw me a picture of what makes you feel excited.

Topic

This term our Topic is Day and Night. I thought we could spend some time looking at the Four Seasons. We have done some work on this but we are now going to look at all four seasons and what happens in each. Please look at the short film, quiz and activities. I have put the link below the grid. Then could you please complete The Four Seasons worksheet which shows a tree in every season. Could you try to think about what the tree looks like and then decorate it so it shows Spring, Summer, Autumn and Winter? After that perhaps you could try to draw and write a sentence about each of the four seasons using the My Favourite Season worksheet.
