

**How to...**

**Weave Paper**

**Materials and equipment:**

- Scissors
- Glue stick
- Pencil
- Coloured paper
- Sticky tape

1

First, fold a piece of paper in half and cut slices into it.

Be careful not to cut all the way through it and leave about an inch of the edge.

2

Next, cut complete strips of the same width from a second piece of paper. Use 2 colours of paper if you wish.

3

Now thread the strips into the piece of paper you have sliced, by weaving in and out.

Do this until your whole piece of paper has been weaved.

4

Glue or tape the edges so that the strips of paper don't slip out.

You can try using your woven paper to decorate cards or even diaries and notebooks!
