

Topic - Scotland Book Focus - **Big Bill the Beltie Bull/The Belties of Curleywee Farm** - we recommend you read these first!

Story Time

We are finishing off our Scottish reads with two local stories. Click the links to listen!

[Big Bill the Beltie Bull](#)

[The Belties of Curleywee Farm](#)

Follow along if you have the book at home.

Phonics Lesson

This week we are learning about the letter 'v' and the sound it makes!

Use [this video](#) to access the lesson.

Try these after watching:

[Geraldine the Giraffe](#)

[The Letter V song](#)

Maths Lesson

This week's new number is number 13. Watch [this video](#) to watch the Ten Town Video and game for number 13.

Remember you can now access Ten Town at home using [this link](#).

This week's game includes patterns. We love [this game](#) in class!

P.E

This week we challenge you to create your own obstacle course! Use anything you can find and ask an adult to help.

Think about some of the skills we learn in PE: balance, jumping, throwing and catching etc.

Art Activities

There are lots of farm animal characters in our stories this week. Can you draw a picture of your favourite character? You can use materials you have at home?

The Local Area

We have lots of interesting landmarks and buildings in our local area (Threave Castle, the Clock Tower etc). Discuss the places you know in and around Castle Douglas.

Why not create a model or picture of a place you like visiting in the local area? You could use anything you have at home ie. Junk, lego, art materials.

Writing

After creating your picture or model of the local area, write about the place you have chosen. You might want to describe what it looks like or tell us what you do in that place.

Eg.

It is a castle. It is old. I go for walks at the castle.

Science

V for Volcano or Lava

Learn more about volcanoes by watching [this video](#). Afterwards, why not try this [volcano experiment](#)?

And/Or

Why not try making your own lava lamp at home using materials you have in your house? Use [this link](#) to find out how.

Outdoor Fun

Why not test your memory by playing the Outdoor Kim's Game? On your next walk, gather a collection of outdoor objects. Once you are home, ask someone to cover the objects with a cloth. Close your eyes and ask them to take one away - can you remember which object is gone?

Valentine's Day

Why not make a card for someone you love to put a smile on their face? This could be for a family member or a friend. Look for some ideas below.

Yoga

Take some time to calm down and relax with this week's yoga activity, all about farm animals!

[Farm Yoga](#)

Pancakes!

Don't forget Pancake Day on 16th of February! Why not make pancakes together [using this recipe](#) or your own

O'clock Times

Keep up the good work with learning to tell o'clock times on an analogue clock. Why not try these activities:

*count all the clocks in your house.

*make your own clock - with a paper plate or a drawing, or even outside like this:

Reading Update [Oxford Owl website](#)

Pick a book to read from the list we have emailed to you, and enjoy!

You can either make your own login at home or use the class logins.

ICT - Education City

Use your [Education City](#) login to access the games we have set in your classwork tab.

Last week, we also suggested some games on [Phonics Play](#). Why not give those games another go?

Music Lesson

Mrs Teale is updating her page every week with different music activities to enjoy. Check [here](#) for this week's activities.

We have two more sessions from the Youth Music Initiative to enjoy!

[Session 5](#)

[Session 6](#)

family recipe.

This week's TEAMS meetings will be:

P1a: Tuesday 9th Feb at 11am and Thursday 11th Feb at 2pm

P1B: Wednesday 10th Feb at 1.30pm (Group B) and Thursday 11th Feb at 10.30am (Group C)

We've also included a small pack of resources about Chinese New Year, celebrated on 12th of February. Feel free to use these this week if you'd like, or maybe throughout the short break as an extra if needed. As always, there is no pressure to complete all tasks. Please do what works for you and your family.

A note for parents: remember, as always, these are suggestions for activities you could do during the school week. Please use this in whatever way it will work for you, and if you have any questions or concerns contact us on the class email:

p1acdps@gmail.com / p1bcdps@gmail.com.
