STEM Challenge

Try some of these '[Food for Thought](#)' STEM challenges!

There are 5 Star challenges and 5 Superstar challenges (slightly trickier!) so give a go to as many as you can over the week!

Some of the activities require a few ingredients so choose the tasks that you have the resources for at home. The tasks are also designed to be carried out in groups so how about asking some family members to join in with you?

Recipe Writing

Once you have decided what masterpiece you are going to create, and you have completed the activities on Food safety and Hygiene you can begin to prepare your recipe.
