

I have written a story about my favourite food to help you write your story.

My Favourite Food

I love chocolate ice cream. Chocolate ice cream looks like small chocolate hills on top of the cone. The ice cream is a rich smooth brown colour. It is sometimes too big to hold in one hand. I like it best when there are two scoops of ice cream in a waffle cone with chocolate sprinkles on the top. I love eating chocolate ice cream on a hot sunny day.

I used these questions to help me write my story.

What is your favourite food? - I love chocolate ice cream.

What does it look like? - **Chocolate ice cream** looks like small chocolate hills on top of the cone.

What colour is it? - The ice cream is a rich smooth brown colour.

What size is it? - It is sometimes too big to hold in one hand.

Can you include a number sentence? I like it best when there are two scoops of ice cream in a waffle cone with chocolate sprinkles on the top.

A sentence to finish the story - I love eating chocolate ice cream on a hot sunny day.

Please draw a picture of your favourite food.

Remember that you need to include a title - My favourite food

Then we have to write sentences using capital letters and full stops. You could use some of my questions to help you write your story.

You will know you have been successful if you have:

1. Written a title.
2. Used an opening sentence.
3. Answered at least two of the questions about your favourite food.
4. Written a finishing sentence.
5. Remembered to start your sentences with a capital letter and finished them with full stops.
