

# Young to Old

As we grow from a young person to an elderly person our bodies change in lots of ways.

- Match the age to the person by writing the correct age on each picture.  
Colour the pictures.

**Ages:**      6            40            1            80            15

Age

baby

Age

child

Age

teenager

Age

middle-aged person

Age

old person
