

Our Weekly School News - Sharing our Learning with the School Community.

We try our very best to regularly share our class learning through a weekly news post or using class Twitter or Facebook posts during the week. There are links below to the Social Media platforms that some of our classes use. Many of the posts and tweets are also shared on our school website. Please have a read and a chat together at home about what we have been up to this week.

Primary 1a and 1b

This week we have started doing some summer sports activities such as the egg and spoon and bean bag races in the hope that the weather will get better soon!

We are very excited to have learned our last Ten Town Number –20 – and to have met Thierry Twenty, the French Chef. We can understand when he says Bonjour and Au Revoir! Most of us are able to recognise, write and use all the numbers we have learned so far, but remember Ten Town is still available for practice at home!

We have completed our topic on Bears and will be finishing the year with a new topic looking at a range of books by Oliver Jeffers, focusing on the topic of travel and transport. P1A have been busy making a very large car for the classroom.

As part of Health and Wellbeing this week everyone in school has watched an online assembly (in our classrooms) from the NSPCC called Speak Out Stay Safe. In P1 we discussed with the children what sort of things might worry or upset them and who they could talk to if they had any worries.

We have been reinforcing our new 'double sounds' and looking at how to use them in making our words. We are now trying to remember all the sounds and words we have found out about so far so that we can use them independently in our writing, putting all our learning together. This needs lots of thinking and good concentration!!

Reminders

PE on Thursday mornings and Nature Garden on Friday. Please dress for the weather!!

Primary 2/3

In maths we are working on addition, subtraction and place value and using lots of concrete materials and games to reinforce our learning. In language we wrote instructions for making a sandwich so maybe the children can try these out at home! We have been learning about food chains this week and linking this learning to our work on habitats. We have decided we need to learn more about the creatures and where they live to know if they can be in the same food chain. We made crabs for the class to go with the seagulls we made last week. In PE we continued to work on our forehand skills in tennis.

As part of Health and Wellbeing this week everyone in school has watched an online assembly (in our classrooms) from the NSPCC called Speak Out Stay Safe.

Halle – I like adding up to 13 in maths

Willow – I liked making a crab

Beth – I like when we do jump and split in maths

Joseph – I like doing domino sums

Grace – I liked building up the crabs

Marcel – I like the dot sums in maths
Oscar – I like playing the pairs game for spelling
Leland – I like reading my book I like how the shark looks funny
Mya – I like my non-fiction book I learned that Komodo dragons leave their young

Reminders

PE is on Monday and Tuesday and Nature Garden is on Friday.

Primary 3 is sharing their learning using a Twitter feed -

Primary 3/4 is sharing their learning using a Twitter feed -

<https://twitter.com/P34cdps> @p34cdps

Primary 4

In P.E this week we carried out a jump test and a speed test. We took on different roles as timer and recorder. We are looking forward to trying this again in a couple of weeks to see if we can jump higher or sprint faster. In Spanish, we have been learning lots of greetings like hello, goodbye, our names and our ages. We are looking forward to learning about the different names for foods in Spanish. In math's, we have been learning about money and change. In handwriting we have been learning the diagonal join. We had lots of fun playing with our new classroom toys during choosing time. We especially like Botley the robot and the writing tablets. As part of health and wellbeing this week everyone in school has watched an online assembly (in our classrooms) from the NSPCC called Speak Out, Stay Safe. In P4 we discussed what sort of things might worry or upset us and who we could talk to if we had any worries.

Reminders

Nature garden on Monday afternoon (change of shoes recommended)

P.E outdoors on Wednesday and Thursday (please come to school in P.E kit)
