

Our Weekly School News - Sharing our Learning with the School Community.

We try our very best to regularly share our class learning through a weekly news post or using class Twitter or Facebook posts during the week. There are links below to the Social Media platforms that some of our classes use. Many of the posts and tweets are also shared on our school website. Please have a read and a chat together at home about what we have been up to this week.

Primary 2

This week we have been very busy week in language making interesting sandwiches for Miss Newall to have for her lunch. They sound delicious.

Fintan – I made a smelly cheese and chilli sauce sandwich.

Kieran - I made a rotten stinky egg sandwich.

Kobe - I made a slime and smelly cheese sandwich.

Annie - I made a spider and worm sandwich.

Sam - I made a chilli sauce, leaves, slugs and sticks sandwich.

We worked hard learning our sounds in spelling and we wrote the Letters M and m for our handwriting.

In Maths we were counting in tens within one hundred and working again with tens and units.

We have been outside trying out our races for sports day and we have been looking at how to keep safe in the sun.

Lewis - Remember to wear sleeves.

Lilly - Remember to use sun cream.

Lacey - We must remember to drink water

Anja - Remember to wear a sun hat to keep safe

Maisie - Remember to use sunglasses in the sunshine.

Reminders

Our Sports Day is on Monday so could we all come to school wearing our PE kits as usual.

Primary 2/3

We have had a very busy week. Our STEM challenge this week was to build a lighthouse like Mr Grinling's. We had great fun and all worked well in our pairs. The finished lighthouses look fantastic. In art we made 'rainbow' jellyfish using tissue paper and we had to work very carefully so that the tissue paper didn't tear. We also discovered that a group of jellyfish is called 'a smack'. We also did some sponge painting to make paper for seaweed to decorate the class with. In music we were using the drum sticks with Mrs Teale and keeping time with a song about the sea. We have been practicing for Sports Day next week and everyone tried out all the different races and potted sports we will be doing. We also enjoyed being scientists and predicting what would happen in our floating and sinking experiment and then looking what would happen if we changed the shape of some of the items we tested.

Elliot – I liked the lighthouse me and Zach made.

Ziya – I thought the paper clip would float because it looked so small but it sank.
Jaxon – I liked making the jellyfish.
Beth – I like doing take aways in maths it's interesting to see what answers you get.
Oscar – I liked making the lighthouses. I liked doing the light and the stripes.
Halle I enjoyed putting the stuff in the water. I thought the feather would float and it did.

Reminders

PE is on Monday and Tuesday and Nature Garden is on Friday. We are having our class Sports Day on Tuesday next week.
