

P5 Times Table Homework – Weeks beginning 20/02/23 & 27/02/23

Please use the following [guidance](#) to practise the relevant table. This [times table chart](#) can be used to help ($\times 0$ should be added in at the start e.g. $5 \times 0 = 0$). It would also be useful to continue to revise previously learned tables so that children maintain their quick recall of facts.

Times Table Championships will be on Thursday 2nd March.
