

**Maths - Sumdog**

Log on to [Sumdog](#) and complete your personalised task in the task section.

Task focus: [Place Value](#)

After, you can continue playing the games on Sumdog. Correct answers will go towards our class score for the Maths Week National Contest.

**Maths - Activity Sheet 1**

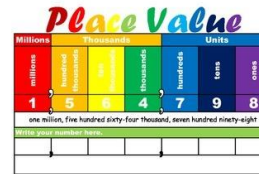

This week in maths we have been learning about ordering numbers. Watch this [video](#) (the numbers in the video may be larger than what you are working with but we use the same method for all numbers) and then complete the first maths activity sheet in your home learning booklet. You can also find them here:

- [Triangles](#)
- [Rectangles](#)
- [Circles](#)
- [Squares](#)

**Maths - Activity Sheet 2**

Complete the second maths activity sheet in your home learning booklet. You can also find them here:

- [Triangles](#)
- [Rectangles](#)
- [Circles](#)
- [Squares](#)

**Learning Lab - The Digestive System**

Follow these links to learn more about how our digestive system works. Complete the two activity tasks in your home learning booklet. You may need to work with an adult to complete these.

- [Digestive System Video](#)
- [Digestive System - Organs](#)
- [Task 1](#)
- [Task 2](#)

**Literacy - Spelling**

[Click here](#) for this week's spelling words.

Use the [Spelling Training](#) website to insert weekly spelling words and complete games of your choice.

OR

Choose a spelling activity from the [spelling menu](#).

**Literacy - Reading**

Check blue diaries for your reading homework.

AR - Spend 15 minutes per day reading the Accelerated Reader book that you have brought home.

AR Non-Fiction Articles - You can access these when you login to [AR](#). Choose an article to read and complete the quiz.

For any books that you read at home check to see if they have an [Accelerated Reader Quiz](#) and complete if so.

**Literacy - Writing (Wonder)**

Using the [template](#) in your home learning booklet, complete the page titled 'We're all Wonders'. Write about what makes you unique. Remember to think about descriptive language;

- colour
- texture
- number
- size
- shape

**Wonder - Choose Kind**

We are going to create a 'Choose Kind' display in class. Using the helmet [template](#) in your home learning booklet, write about a time when you were kind. Maybe you were helping your family with something or you said something nice to a friend when they were feeling sad. Write about how that action made you feel.
