Please practice this times table: x3	Please practice this times table: x3	Please practice this times table: x3

You should practice your times tables from <u>at least</u> 0 to 12, for example:

1 x 0, 1 x 1, 1 x 2 .... 1 x 11, 1 x 12

But see how far you can go!

On the class page, there are some activities to help you practice for the times table competition on Friday!

Good luck!
