Multiplication & Division Practice Homework (beginning 7.5.24)

<u>Rectangles</u>	<u>Circles</u>	<u>Triangles</u>
Please revise all your 6-, 7-, and 8-times tables. This Friday's questions will be on division, for example, 42 divided by 6 is 7.	Please revise all your 6-, 7-, and 8-times tables.	Please revise these times tables: x3 x4

You should practice your times tables from 0 to 12 for example:

1 x 0, 1 x 1, 1 x 2 .... 1 x 11, 1 x 12, but see how far you can go!

On the class page, there are some activities to help you practice for the times table competition on Friday!

Good luck!
