

Castle Douglas Primary School * Transition Grid * 15th June - 29th June 2020

Hello boys and girls. I am very excited to be your new class teacher. I am really looking forward to getting to know you all and have prepared some activities for you. These activities are to be completed over the next two weeks (please only complete as much as you can). I hope these tasks will help you to feel excited about P7 and coming back to school. Completed tasks and any questions you may have can be sent to me on: p7acdps@gmail.com

I look forward to hearing from you 😊 Mrs Milligan

All About Me

Please record a **video** of yourself. In the video I'd like for you to tell me about the following things:

- You - Your name, age, personality
- Your family - Don't forget pets
- Your friends
- Your interests
- Your lockdown experience
- School - What you enjoy, are good at, things you might need help with
- Anything else you'd like to share.

If you would rather you could write the information down instead of make a video.

(Check out the P7a page for my video to you 😊)

Self Portrait

I'd like you to create a self portrait. You can use any materials you like e.g pencil, black pen, paint or maybe even some materials from nature. Take a picture of your self portrait and email it to me.

True/False

Email me three statements about yourself. Two have to be true and one has to be false. Then I will guess which one is false.

I'll go first. Let me know which one you think is false.

1. I am a vegetarian.
2. I have been a teacher for 13 years.
3. My favourite drink is Diet Pepsi.

What makes a good teacher?

Make a list or a mind map of the skills and qualities you feel are important in a teacher e.g kind, fair, likes P.E etc.
