

Hello boys and girls,

I am going to be your P4 teacher this year. This is my 4th year as a P4 teacher at CDPS and it's going to be the best yet!

My hobby is running. I am in a running club and like to take part in races.

My favourite things to do are going to the theatre to see musicals and travelling to hot places! I love exploring somewhere new and spending time in the sunshine.

A fact about me is that last summer I swam with sharks, sea turtles and dolphins in the Indian Ocean. It was an amazing and scary experience.

I can't wait to find out more about you!

From **Miss Sarahs**
