

Hello Primary 4

This week you are going to explore some transition activities arranged by your P4 teacher. These activities will help your new teacher learn more about you.

Please have a go at the suggested activities but don't worry if you are unable to do them all, just do what you feel is manageable for your family.

<p>Flat Teacher Adventure</p> <p>Print and cut out a mini Miss Sarahs. I am not able to be with you in person, but this is the next best thing! Take me with you on your adventures and be sure to share our time together. Take photos of us doing some of the activities above or come up with your own. I have written a special poem for you to read. If you are not able to print you could draw me.</p>	<p>Postcard</p> <p>Write a postcard to Miss Sarahs. This is a great way to introduce yourself. You could write about your hobbies, your favourite things or what you are most looking forward to in primary 4. You might want to include some interesting facts about yourself. You can write your postcard in your jotter, print it or email it. I have written a postcard for you.</p> <p>Postcard from Miss Sarahs</p> <p>Postcard to Miss Sarahs</p>	<p>Primary 4 Creative Challenge</p> <p>Find or create the number 4 or the word four within your home or local environment.
