

COVID-19

CORONAVIRUS

If you or your child has the following symptoms

A New Continuous Cough

A High Temperature

A loss or change to your sense of smell or taste

STAY AT HOME

(self-isolate for 14 days) – do not leave your home or have visitors. Anyone you live with, and anyone in your support bubble, must also self-isolate.

GET A TEST to check if you have coronavirus as soon as possible.

If your child has the following symptoms

Diarrhoea

Vomiting

They must stay at home for 48 hours, after the symptoms have gone.

Clean your hands and help protect us from germs that can make us sick
