5. Head teacher's Report
6. Treasurer's Report
Very little to report other than we raised £450.90 from the bingo night held recently at Threave Rovers Club and so the balance on our current account is currently £1290.19.
7. Fundraising
A date was agreed for the Haggis drive, Thursday, February 6th 2025 from 6pm to 8pm. The parent council will organise this in the new year. There will be a raffle, 100 square, teas and coffees etc.
8. AOB Larissa has been approached by a parent about a concern raised over the reintroduction of flavoured milk that is offered at lunchtime. Discussion was had about how the parent council feels about this. It was agreed that we would rather it not be offered and so decided to send a letter to be sent from the parent council to the council voicing our concern. Larissa to draft.
9. Next meeting - Jan 13th 2025 at 7pm
