

Safeguarding and Child Protection in Cummertrees School.

It's everyone's job in Cummertrees School to keep you safe.

Adults in your school keep you safe.

Are you **worried** or
don't feel **safe**?

**Talk to an adult in
school.**

We will **listen** to you.

The adult may share
your worry with the
**Child Protection
Coordinator.**

They help to keep
you safe.

**The Child
Protection
Coordinator** might
need to share your
worry with other
safe adults.

Safe adults will check in with you to make sure you are
safe and feel included.

**Remember, you can ask for help no matter if your worry
is big or small - we will listen and help you.**

HOW TO TELL SOMEONE ABOUT A WORRY

Choose an **adult** that makes you feel **safe**.
This might be an adult from **home** or at **school**.

Choose a **time** when it is easy for you to **talk**.

They want to **help you**.

How to tell a safe adult about your worry:

Talk about it

Write it down

Draw it

The adult will tell you what they will do next.

It's ok if it feels scary to say your worry out loud. Your safe adult will help you.

If you feel that things don't change, keep speaking out until they do.
