5<sup>th</sup> January 2021

Dear Parents, Carers,

First of all I would like to wish everyone a Happy New Year.

As you are all no doubt aware we continue to operate in ever-changing times and further updates were given by the Scottish Government yesterday. One of these announcements was that schools will remain closed until at least the 1<sup>st</sup> of February.

**Childcare** - Those of you that have been allocated childcare places in school will have been informed about this by the local authority and we will send out further information later today about arrangements for this specific to Dalbeattie Primary and Nursery. Arrangements are only currently until 15<sup>th</sup> January and additional advice and information for the further 2 week period will follow.

**Homelearning** – Information will also be issued about this later today in preparation for learning to begin on Monday 11<sup>th</sup> of January.

We continue to work with an ever changing picture and we ask for your continued support as we prepare for this.

Yours sincerely

Mrs E.Duncan
