Dear Parents, Carers,

### **Further Updates**

Following on from my letter on Tuesday, please now find attached information regarding home learning and how this will be delivered for children throughout the school. We understand that all families are in different situations so please do what you can manage with your child(ren) under current circumstances.

Teachers will be checking their Class Teams chat, emails and Dojo during school time and are there to help and support should this be required.

Thank you to those of you that have managed to make alternative childcare arrangements and now no longer need to access the emergency school childcare keeping numbers to a minimum is school. Your support is much appreciated.

If you have found that your family circumstances have changed and you wish to apply for Free School Meals or clothing grants then you will find the links here:

Mrs Howie and I will be in school each day should you require to contact us. The school office team are also working on site and will answer calls and emails as per normal school hours.

I will aim to make regular communication through the blog, Dojo, Facebook or email/gp call. Please keep a check on these for information.

Please take care and stay safe.

Yours sincerely

Mrs E Duncan
