All assignments are posted in the general P6/7channel – the grid will be posted in the general posts and all worksheets can be found in the files section across the top in the relevant folder. Please do as much as you can – you are taking responsibility for your own learning and it is important that you do the best you can with your home learning – resources are also available on the school blog [CLICK HERE](#)

**Note to all Parents/Carers:** Please complete as much as you feel you can with your child each week. There is no expectation to complete every task – I have included a variety of tasks on the grid which hopefully means that there is something for everyone. I will endeavour to do the best I can to support you and your child throughout the next few weeks, please do keep in touch with any problems and I will be happy to help.
