

P4/5 Home Learning - Week Beginning 25th January

Literacy-Writing

Poetry

This week you are going to learn about another type of poetry called a **Haiku**.

I have created this Sway presentation to teach you what a Haiku is here:

<https://sway.office.com/M0lnJJjrCOawJLkD?ref=Link>

Make sure you listen to the audio clips in this to hear more information!

It may ask you to sign in with your *Glow* account to view this.

I would like to try to start using the assignments feature in Teams so that I can set you tasks to do on Teams and you then return these to me there.

This week just to help us get used to it I am going to set you an assignment called "Robert Burns Facts". I would like you to write 3 facts about Robert Burns. You can find these from the Robert Burns Reading task, find your own facts online or ask someone at home if they know any!

You can find the assignment here:

Teams>General>Assignments>Robert Burns Facts

Literacy-Spelling

Practice new spelling words for the week.

These will be on Sumdog for you to practice under a challenge called 'Week 3 Spelling'. From Thursday to Sunday a spelling test will be available for you to complete on Sumdog.

Make sure to do the Spelling challenge before doing your spelling test!

Write 5 sentences using your spelling words.

Your spelling textbook questions will also be in the relevant folder in Teams.

Literacy- Reading

This is a great book of poems/short stories that were written during last years lockdown.

[Living in Lockdown Poems](#)

Pick one to read to someone at home.

Look through the book, can you find: A poem that is written in Scots? A Haiku? Look at the [Tasks and Activities](#) and pick 1 to do, let me know which activity you do/which poem it is for.

In the *literacy files* in Teams I have put some Robert Burns Reading tasks for you to complete.

Pick the level you think is best for you 1, 2 or 3 (remember to try and challenge yourself!). Walliams reading group (the group that read Esio Trot) I would like you to try the 'Walliams Burns Questions' in the files.

Continue reading any books you have at home and let me know what you are reading!

Maths

Money

Watch this video [here](#) about converting pounds and pence and then try the worksheets in the maths files on Teams.

Try this [Pounds to pence game](#)

Squares Maths Group

Try this [budgeting problem solving](#) activity. Read the instructions very carefully! Are you able to budget for a pizza party?

You can use these [Online coins](#) to help you with the questions.

Try some of these top marks [Money Games](#)

Maths

Multiply/divide

Continue to practice your times tables. Complete the multiplication/division challenge I have set you on Sumdog.

Triangle Maths Group

Addition and Subtraction Revision

Watch these videos of Mrs McLean demonstrating mental strategies for addition and subtraction. After watching, try to answer the questions in the description box mentally in your head. If this is tricky, try jotting down your working as shown in the videos.

[Add or subtract 11](#) [Add or subtract 9](#)

Topic Maths

Charts and Graphs

Click here to revise charts and graphs:

[How do I record and display data? - BBC Bitesize](#)

[How can data be displayed? - BBC Bitesize](#)

Complete the Charts and Graphs Assessment on SUMDOG.

Perhaps you would like to collect some data about something that interests you and have a go at creating your own bar chart, line graph, pie chart or venn diagram?

Scotland

You have been learning your Scots poem for the past 2 weeks. Now I would like you to perform it! Send me a video of you reciting your poem!

Monday is Burns Day so I would like you to learn the Selkirk Grace to say at a meal. The [Selkirk Grace](#) is traditionally said before eating at a Burns Supper.

Look at this [360 degree tour](#) of some key locations in Robert Burns' life. Can you find 3 differences between the Robert Burns House and your house?

Art

[Shape-Semi Circle](#) Art lesson from Mrs Harris.

I would like you to create a placemat for a Burns Supper.

It can be tartan or a Scottish theme.

You can use this [tartan template](#) to help.

Why not create a personalised placemat for everyone in your family?

STEM

Try at least one of the Dumfries and Galloway STEM challenges for this week.

These will be in the files section on the Teams general page.

Music

Our Feis Rois music sessions will be on again this week! This will be on Thursday from 2:20pm - 2:50pm. Hopefully as many of you can join in as possible, it has been great fun so far! I have added your task for this week to the bottom of the grid.

French & Spanish

Colours

Revise French colours in this [video](#) and sing along with this [French colours song](#).

Learn the Spanish colours in this [video](#).

Create your own colours revision sheet. Use some coloured pencils or pens and write the French and Spanish words for the different colours.

Health and Wellbeing

Food Journeys

Watch these 5 Food Journey videos

[Frozen Peas](#) [Crunchy Carrots](#)

[Prickly Pineapples](#) [Leaks](#)

[From Fish to Finger](#)

Choose one of the food types and write out or record yourself explaining the steps of its journey from 'farm to fork' or from 'sea to me'.

P.E

[Mrs Gray P.E at Home](#)

Mrs Gray has made another great PE at home video for you to try!

I am sure she would love to hear from you if you have given it a go!

gw08grayjan@ea.dumgal.sch.uk

[Joe Wicks](#) will be doing his P.E workouts again live at 9am on Mondays, Wednesdays and Fridays. Try and join in with some of these or watch past ones that he has posted.

Try to spend some time outside in the fresh air too!

Send me some pictures of you spending time outside!

Sound-makers from nature

What to do:

- Next time you go outside for a walk or into your garden look around for some natural things you could pick up
- Can you tap, scrunch, stroke, shake or blow it to make a sound?
- Collect **5 items** that make different sounds
- Bring them along next week
- Take a photo of your sound-makers and share it with us on Teams
