Weeks beginning 1st February 2021

(Red titled tasks = priority tasks for the week ahead)

<div>Literacy – Writing</div> <div>(continued from last week...)</div> <div>Please continue with the creative writing task you were set last week. You should by now have created your character and planned your story. This week your task is to write the story.</div> <div>Remember - what I'm looking for...</div> <p><u>Topic – Evacuation</u></p> <p>(Please ensure this task is complete to avoid falling behind as when we return to school, we will be continuing this topic)</p> <p>This week we are focusing on developing our knowledge and understanding of evacuation during WW2.</p> <p>Log in to TEAMS > ASSIGNMENTS > WW2 ASSIGNMENT</p> <p>Watch the video (or view the power point) and follow the instructions.</p>	<p><u>Numeracy</u></p> <p>Have a go at the challenges set on Sumdog called: “Week beginning 1st February 2021”</p>  <p><u>Health and Wellbeing</u></p> <p><u>Children's Mental Health Week 2021</u> (1st – 7th February)</p> <p>This year's theme is EXPRESS YOURSELF. Think of all the different creative ways you express yourself as an individual and why it is important that we do. Watch the video lesson attached to Week 4 Evidence Assignment. (If you want you can also watch the virtual assembly linked above).</p> <p><u>Your Task:</u></p> <p>I would like you to find a way to express yourself, take time doing whatever that is for you, and share a photo of it with me in ASSIGNMENTS > WEEK 4 EVIDENCE.</p> <p>The video lesson explains your task in more detail and gives you some ideas. I have also attached some ideas below this grid.</p>	<p><u>Technology - Coding</u></p> <p>Last week you were introduced to Tynker, a website we use to explore different coding languages to develop computational thinking and language skills.</p> <p>Tynker - www.tynker.com</p> <p>This week we are continuing to complete some introduction tasks which we will hopefully be able to explore more once we are back in school.</p> <p>Sign in > Primary 7 2021 > Programming 300.</p> <p>Here you will see you have been assigned 2 tasks: “Intro to Game Design” & “STEM”</p> <p>Work your way through the activities and follow the onscreen instructions to complete each task. Your work is saved automatically so you do not need to evidence this task via our weekly Teams Assignment.</p>
---	---	--

Evidence of the work you have completed this week should be uploaded to the highlighted Assignment which can be found in the Assignments Tab. You will find a direct link to this on the General Page of Teams.

Note to all Parents/Carers: Please complete as much as you feel you can with your child each week. This is a very challenging situation we have found ourselves in again and it is stressful for all involved. Please don't put more stress on yourselves or family to complete every task. These are suggested activities to keep pupils learning as best we can in these uncertain times. I will endeavour to do the best I can to support you and your child in any way possible.

Kindest Regards, Miss Clendinning. gw11clendinningfiona@glow.sch.uk

Children's Mental Health Week Ideas

Art:

Many people use art to express their emotions and share how they feel.

You could create your own piece of artwork which expresses you. Remember: your use of colours, theme, shapes etc can all help to express your thoughts and feelings. It does not have to be a picture of you specifically.

Music:

Listening to music really relaxes me and helps me to focus and concentrate. If I am feeling a bit down in the dumps, music really helps to boost my mood. Why not spend some time discovering new artists or listening to your favourite one? You could be creative and dance around your bedroom to the song which makes you happiest!

Exercise:

I really enjoy going out for long walks with my dog. She really cheers me up and the fresh air makes me feel so much better. Why not make it your goal to do 3 different types of exercise this week or perhaps just visit 3 new places.

Clothing:

Choosing what we wear can be a really good way of expressing our individual personalities. (Think of Lady Gaga!! Very unique, a bit bizarre... but each to their own!!)

Why not take time to be as expressive as you can with your choice of clothing? What items really help your personality to shine!

Cooking:

Some people find cooking or baking very therapeutic. Cooking can be really creative and a lot of fun. Why not have a go at some food art?

Reading:

Another great way to relax is to get stuck into a good book. Personally, I unwind by reading my book in the bath. I find it very calm and soothing and it's nice to get away from looking at a screen.
