

Reopening Information for Parents and Carers

As you will all be aware from the recent Scottish Government announcement on 3rd of March schools will now be reopening for all pupils P4-P7 on Monday 15th March. This is a return to full time education.

The following information is a reminder about arrangements during current times.

Start and End of School Day

In order to limit the number of people in and around school playground we have returned to the use of staggered starts and finish to the school day. We continue with pick up and drop off arranged that were in place pre Christmas. No parents should be within the school playground at drop off and only parents of P1-P3 may enter the playground at pick up time. P3 can be released to walk home or meet parents in the pedestrian area but this is parental choice. ***Please make sure that you wear a face covering and adhere to social distancing guidance and remain 2m apart when in school grounds. Please leave the school grounds as soon as you have collected your child. We do not expect to see social gatherings of parents catching up for a chat. Please remind grandparents and others who maybe collecting your child of these requirements too.***

Class Group Arrangements

As per Government guidance to minimise the numbers of groups mixing we will be continuing to have designated groups within the school building. We will return to 3 bubbles/zones and pupils will be contained within these each day.

P1,P1/2 and Nursery = Bubble/Zone 1

P2/3-P4/5 Lower Floor = Bubble/Zone 2

P5-P7= Bubble/Zone 3

We will be continuing to limit movement around the school and hope to be able to manage the zones to reduce the risk of cross infection. We are also looking closely at staff within each area to limit movement around the school.

We are trying to limit these contact groups as we need to be aware of track, trace, test process and limit the contacts.

Break and Lunch Arrangements

Breaks and lunch times will continue to be staggered as previously arranged to minimise contacts and pupils will only be outside with other children from their bubble/zone each day.

School meal provision will be available. A two-week lunch menu is attached. For the time being, there will be a limited provision of one hot and one cold option. Please also remember to send your child with their snack and water bottle each day.

Break Arrangements

P1 and P1/2	Out for break at 10:15 back in at 10:30
P2/3, P3,P4,P4/5	Out for break 10:35 and back in at 10:50
P5=P7	Out for break at 10:55 and back in at 11:10

Lunch Arrangements

P1 and P1/2	12:00-12:45
P2/3, P3, P4 and P4/5	12:15-1:00
P5-P7	12:30-1:15

Uniform

On our return, all pupils are expected to wear school uniform as per normal arrangements during their days in school. We do ask though that clothing is washed on a more regular basis to reduce any risk of infection being brought to and from school.

We will be increasing our use of outdoor space during these challenging times. Please make sure that your son/daughter has a **waterproof jacket** with them every day at school as pupils will be outside participating in outdoor learning.

P.E with Mrs Gray will take place on a Monday and Tuesday. Please send your child to school in their P.E kits. P4-P5 classes may come to school in P.E kits but should also be prepared with a change of clothes should they need to change if they have become wet due to being outside in drizzle or damp conditions. P6-P7 may come to school in kits

but will change out of P.E kits with changing rooms being managed to reduce any risks. P.E will be **outdoors** so please make sure your child has warm clothing and footwear, hat, gloves and waterproof jacket. Class teachers will inform individual classes of additional P.E days.

Wk begin 15th and 22nd of March.

	Monday P.E Mrs Gray	Tuesday P.E Mrs Gray
9-10:25/10:45	9-10 P7	9-10 P5
	10-11 P6/7	10-11 P4/5
10:40/11:00-12:30	11-12 P4	11-12 P1
1:15-3:00	1:15-2:10 P2/3	1:15-2:10 P6
	2:10-3:00 P3	

Masks

If you wish your son daughter to wear a mask in class, then we support this decision. Please ensure that your son/daughter is aware of how they should wear, put on and remove their mask safely. Please label masks and ensure that children have a bag to keep them in. Staff will be continuing to wear masks and visors as required. Please remind your child about this and that they must not worry about this.

Hygiene and Medical Matters

Handwashing will be a key priority for everyone on return to school. Children will be washing hands as they come into school and throughout the day. Hand sanitisers have also been installed at various points of entry throughout the school and should be used by pupils. Please remind your child of these requirements. This includes when pupils have been at the toilet as we do know that some children, unfortunately, don't have the most efficient hand hygiene and often need reminded. **Please, please support us with repeating this important information.**

As previously, **please do not send your young person to school if they are displaying symptoms of COVID 19.** Remain vigilant at all times and follow NHS guidance around this. If a child becomes symptomatic throughout the course of the school day, we will follow health and safety guidance in managing this matter. If anyone in the household also shows sign or is diagnosed with COVID 19 please keep the school informed about this. School has a duty to report any COVID related pupil absences.

Speaking to Members of Staff

Should you require to share information with a class teacher, please email or call the school office within the school day 9-3 and we will return emails/calls in due course. Dojo messenger can also be used but please be mindful that teachers may not be able to respond straight away due to teaching commitments. We are aware this maybe slightly different for children with additional support needs where communication about needs which may impact on the day.

Please remember to notify the school office by 9a.m if your child is going to be absent as per normal protocol.

Travelling to and from school

Please continue to consider how children travel to school during these current times. Please walk, cycle, scoot to school where possible. However, please remember that neither pupils nor parent(s) accompanying children should be cycling within the school grounds. We continue to promote our active travel message. Please continue to adhere to social distancing measures when travelling to and from school. Please do not think that driving and dropping your son/daughter at front door is the right thing to do to reduce risk as they will not be permitted to enter via this route; they will be required to go round to Primary entrances as per all pupils entering the Primary building.

We look forward to welcoming all pupils back to school on 15th March. As you know, we continue to live and work in challenging times and we ask that you support us with the above measure to ensure the safety and wellbeing of all at Dalbeattie Primary and the wider community of Dalbeattie Learning Campus. Thank you
