First Day for P1

OFFICIAL

Children can be brought into the playground on their first day and will line up to go into class with their teachers. Parents are welcome to have a look for their children settling in class through the class window. Unfortunately, guidance does not, as yet, let us allow parents into the school building. We will take pictures of P1's in their classes and share with you.

Lunches

Please continue to order lunches using the online ordering system. This has now been updated for all new classes. Log in details remain the same.

P1 lunches : please complete the attached Microsoft Form to order school meals or let us know if your son/daughter is packed lunch for the first 2 days back. We hope to have log in and ordering details for our online system sent to you by the end of this week.
