Uniform Ordering

As yet, we have had no offers of helping with a uniform swap shop, our proposal will therefore be to set out in the Heughan Hall on parental consultation day. The range of uniform that we have accumulated in school will be set out for people to look through and take for a small donation. An honesty box will be in the hall. If anyone has any uniform that your child has outgrown that you would like to donate, please send into school washed and ready for swapping.

We hope that some of you made use of the discount offered by School Trends in our last newsletter. If you have not yet purchased uniform, please find attached a link to place an order with School Trends through school.

School Tour Videos

We are aware that many parents haven't been in our school building at all or for some time and as we think about transition for our young people, we wanted to make sure that everyone had an awareness of different parts of our building.

Below are links to two videos that we have made to share the different part of our building with you and your young person.
